Product & Technical Experience

Canaan Xpress **Valley Stream, NY**
B2B Marketing Analyst - Contract *Aug 2026 - Present*

- Queried CRM data with SQL to tier repeat customers by order frequency and volume; analyzed Q2 performance (90% retention, 10% growth) and turned findings into a customer growth guide focusing sales on retention.
- Led the company's first CRM implementation (Maximizer), creating the data foundation for sales tracking, customer segmentation, and automated outreach to 500+ target companies.
- Built a dashboard and the APIs connecting it to CRM data, giving leadership visual reports on customer trends.
- Launched SEO, Google Business Profile, and LinkedIn channels, and wrote SOPs for a low-maintenance handoff of ongoing operations.

Develop For Good **Remote**
Product Manager Intern *Oct 2024 - Mar 2025*

- Gathered requirements from nonprofit stakeholders, translating feedback into wireframes for a landing page redesign.
- Directed a team of 8 engineers integrating PowerBI reporting and print-on-demand solutions, owning technical scoping and tracking implementation through launch.
- Monitored post-launch engagement and utilization to define the product roadmap, prioritizing features to improve retention and drive adoption beyond the MVP.

Software Engineer Intern *May 2024 - Sep 2024*

- Delivered MVP of a donation management platform for Linens N Love, connecting volunteers, hotels, and shelters through a full-stack MERN application from 0 to launch.
- Led weekly client discovery and feedback sessions to scope MVP requirements, and hit launch milestones on time.
- Built robust RESTful APIs with Node.js and Express and managed database operations with MongoDB to ensure efficient and secure handling between volunteers, hotels, shelters, and administrators.

Marketing Experience

Kepler U **Remote**
Digital Marketing Extern *Apr 2026 - July 2026*

- Strategized and managed the end-to-end launch of 4 net-new live Google Ads Search and Performance Max campaigns for a nonprofit client, navigating Google Ads Grant compliance restrictions to drive client objectives.
- Implemented a top-of-funnel 'Page View' conversion goal to resolve algorithmic data starvation, generating a 120%+ day-over-day increase in impressions and a 50% lift in total clicks.
- Conducted ongoing Search Query Analyses and data visualization to deliver formal, data-driven strategy presentations to real-world nonprofit stakeholders.

HLW **Manhattan, NY**
Marketing Intern *Jun 2025 - Aug 2025*

- Conducted B2B market research on prospective clients to inform pitch positioning and strategy for new business bids.
- Tracked social media and website performance across HLW's main account and 4 specialty studio brands using Google Analytics and Hootsuite, surfacing engagement and traffic trends to inform content and campaign planning.
- Managed Dynamics CRM assets and coordinated with stakeholders to streamline workflows and improve efficiency.

LEADERSHIP EXPERIENCE

Asian Student Union **Binghamton, NY**
President *Aug 2021 - May 2025*

- Collaborated with multicultural organizations to coordinate 20+ events and fundraisers for over 200 club members.
- Orchestrated Asian Night, a showcase of 16 performances with over 1000 attendees through strategic promotion, financial management, and grant applications alongside the ASU Executive Board and subgroup Board of Directors.
- Utilized Asana's Kanban Board and agile methodologies to delegate tasks, improving project completion rates by 25%.
